

NMP-708

The ViewSonic® NMP-708 network media player delivers integrated interactive functionality for ViewSonic large format displays CDE7051-TL and CDE8451-TL. This slot-in PC module easily plugs into compatible digital signage displays and supports true 4Kx2K Ultra HD audio and video. With a powerful Intel® i5 processor and NVIDIA® GeForce® GT GPU, the NMP-708 provides the computing power needed for educational, corporate, or scientific environments. In addition, an integrated Windows® 8 Pro operating system delivers Windows-compatible touch functionality such as a pull-out charm bar and simple navigation to a variety of applications. The NMP-708 is capable of storing and playing hours and hours of high-definition multimedia content thanks to its 4GB of built-in memory and 500GB HDD storage. Connectivity options include RJ45, HDMI out, Mini DisplayPort, and six high-speed USB 2.0 ports.

Packed with Powerful Intel Processor

Utilizing an Intel® Core™ i5 processor and NVIDIA GeForce GT GPU, the NMP-708 provides additional computing power needed for fast-moving educational, corporate, or scientific environments.

Integrated Windows 8 Pro Operating System

NMP-708

Pre-installed with Microsoft® Windows® 8, the NMP-708 provides access to MS Office Suite applications ideal for both corporate and educational use. A built-in browser provides users instant access to the internet, while Windows 8 compatibility creates an interactive and collaborative experience.

4GB of Internal Memory, 500GB HDD Storage

The NMP-708 is capable of storing and playing hours and hours of high- definition multimedia content thanks to its 4GB of built-in memory and 500GB of HDD storage. This reliable media player will display dynamic content with no crashes, freezes, or lost content.

Easy Installation

The NMP-708 can be easily plugged into compatible digital signage displays and provides simple configuration and maintenance of custom multimedia settings.

Compatible with ViewSonic® Large Format Displays

The NMP-708 is specifically designed for use with the ViewSonic CDE7051-TL and the ViewSonic CDE8451-TL. When plugged into these compatible large format displays, the NMP-708 provides additional computing power and interactive functionality.
